

Tool Shed Opening

On the first of November the community joined together to celebrate the grand opening of the Tool Shed Loan Program. Located behind the Connection Corner at 1824 East Centennial, the Whitely Community Council was joined by the Chamber of Commerce and local residents for the ribbon cutting ceremony.

How To Rent A Tool

1. Apply for a Whitely Community Council card and Muncie Public Library ToolCard by filling out an application at the Connection Corner.
3. Come to the Connection Corner on Monday or Thursday between 2-6pm to choose the tools you want to rent.
4. Bring the tool to the front desk to be checked out

It's as easy as that! Some of the tools we have available are saws, lawnmowers, rakes, shovels, and axes. We hope to see you soon at the Shed!

Buley

Join in on the fun— Stop in and see what's going on at the Buley Center, they have an impressive line up of classes!

Date: Monday, 12/9/13

Location: Career Center

Looking Forward to 2014

The WCC has worked hard to become very organized over the past years. It is now a very strong tool. Anyone who has thoughts on how that tool should be used is encouraged to bring those ideas forward. Talk to a leader or send

A Journey of Love, Laughter, & Learning

Author Judy Mays and illustrator Dr. Maude Jennings hosted their book signing for the new and improved edition of *Animal Rhymes and Letter Fun Times*. Truly back by popular demand, the first edition was enjoyed by over 500 children, parents, and teachers! The second edition has several revised and fun verses and holds true to the goals of promoting and developing reading and writing skills for the early childhood student. It also gives kids the opportunity to learn about animals that they wouldn't normally learn about and allows them to incorporate these animals into language. You can get your copy at the Buley Book Fair running November 13th, 14th, and

Shaffer Project

The fundraising continues to progress. To date \$30,003 has been raised. The Motorcycle Club has helped the church members finish the painting of the Fellowship Hall. BSU/Whitely CC Immersive Learning Class sponsored a spectacular Gala event on a very icy, cold evening and raised approximately \$3,000! It was an evening to remember!

Buley Book Fair

The Buley Community Center is hosting the Buley Book Fair! There will be unique and diverse books for children that you cannot find in most book stores. All books will be 20% off the list price! There will be free parking. Cash and checks are accepted.

Wednesday, November 13th: 2:30-7:00

Thursday, November 14th: 2:30-7:00

Friday, November 15th: 9:00-5:00
