### Community Churches Came Together!

Building off of the Union Chapel citywide SERVE week, volunteers from Shaffer Chapel, Antioch Baptist, Kirby Avenue Church of God, Christ Temple, New Kingdom Builders, and Union Chapel came together to work on **twenty one projects** in the neighborhood.

Additional thanks are due to Peter Ellery, Dustin Stillinger, and Betty Brewer and volunteers from Minnetrista's Horticultural Department for the landscaping done for the Shaffer Chapel historic project.

### Families Reading This Summer

Great prizes are still on the shelves of Muncie Public Library branches for the readers in our community. Young readers can get coupons to Muncie restaurants and other great prizes for the hours they read this summer.

Adults don't have to miss out on the fun this year, as there are opportunities for prizes for adults every time they read three books.

### Our Farmer's Market Families

Eleven families from the neighborhood will continue on July 12th and August 2nd to a 10am healthy cooking program for information about Minnetrista Farmer's Market. Those in attendance get \$20, courtesy of IU Health, from each meeting for use at the market.
