June Meeting Held at New Location

June's neighborhood meeting - **June 9th at 6pm** - will be held at Union Chapel, 4622 N Broadway (288-8383), instead of at the Muncie Area Career Center because of Muncie Schools summer vacation hours. However, the change of venue provides a great opportunity as it will also allow those in attendance to receive information and training with regard to SERVE week.

Childcare will be available. The public is always welcome.

THANK YOU to all the clean-up volunteers!

The island at Bunch and MLK got a huge boost. Other areas were impacted and the Goal One co-chairs Ben & Carolyn are most proud.

SERVE WEEK

The neighborhood will be another team project area for the week of June 23-27. Call 288-1892 for more information.

We are looking forward to doing some special things to celebrate some of our outstanding students in upcoming months.
